PURPOSE:

1. **To outline snow removal priorities so the Resort Village of Grandview Beach has clear guidelines as to the process involved in effective snow removal**

PROCEDURE:

2. **The Resort Village of Grandview Beach snow removal plan will consist of 3 areas and 3 phases:**

AREA 1: BUS ROUTE:

This area will be in effect if there are school children being picked up by a school bus in the Resort Village of Grandview Beach.

AREA 2: PERMANENT RESIDENTS:

Ash Street, Beach Road, Grandview Road, Lakeview Road, Maple Street, Poplar Street and a portion of Birch Lane.

AREA 3: GARBAGE DISPOSAL

Clean the road into the garbage disposal and around the bins for access.

3. **Snow removal will be done after the RV has received 10 cm or more of snow and it is no longer snowing. A 24-hour period to clear snow will be in effect after a large snow fall.**

4. **In the event of a heavy snow fall, clearing of streets will be done in phases to keep roads passable.**
5. **Village snow blowing equipment shall not be used on Grove Lane.**

PHASE 1

Snow removal in Area 1 will be Priority so the bus route will be passable.

PHASE 2

Snow removal in Area 2 will be done when Area 1 is complete. This will allow permanent residents to have passable roads.

PHASE 3

Snow removal in Area 3 will be done when Area 1 and Area 2 are complete. This will allow residents access to the garbage bins and Loraas to dump the bins.

6. **Residents are not to move their snow onto RV of Grandview Streets.**

7. **Keep your snow from your sidewalks and driveways on your own property. Private driveways will not be cleared of snow by the operators using Grandview Beach equipment.**

8. **That an hourly rate of $28.00 will be paid to individuals that the Council hires to move snow with the Village equipment. Approval must be granted from Council to perform this work.**
